PACKAGES 2022

# Welcome

Situated in the heart of central London, ISH Venues are just a stone's throw from the beautiful Regents Park with Great Portland Street, Regent's Park and Warren Street underground stations within walking distance. This makes us the perfect location for a fun Christmas in central London with rooms that can hold a capacity of up to 600 people for a standing reception party.

Our festive menus by BaxterStory feature a range of flavoursome dishes, made using fresh, seasonal ingredients. Whether you want a bespoke celebration planned down to the smallest detail, or a smooth solution for your office Christmas party, we'll work together to create that perfect event package. Menus can be selected as a standalone package, or in combination with another to suit budget and preference.

100% of the profit made from your booking goes directly to our charity, International Students House, enabling students to achieve their academic goals while giving them a place to belong. We empower young people from around the globe to strive for the betterment of society through global friendships, the exchange of cultural knowledge and educational scholarships.
