

CHRISTMAS

PACKAGES

2023

Welcome

Situated in the heart of central London, ISH Venues is just a stone's throw away from the beautiful Regents Park with Great Portland Street, Regent's Park, Euston, Kings Cross and Warren Street stations within walking distance.

This makes us the perfect location to celebrate Christmas in central London with event spaces that can hold a capacity of up to 600 people for a standing reception party.

Whether you want a bespoke celebration planned down to the smallest detail, or a smooth solution for your office Christmas party, we'll work together to create that perfect event package.

Our festive menus by BaxterStory feature a range of flavoursome dishes, made using fresh, seasonal ingredients. Menus can be selected as a standalone package, or in combination with another to suit budget and preference.

100% of the profit made from your booking goes directly to our charity, International Students House, enabling students to achieve their academic goals while giving them a place to belong. We empower young people from around the globe to strive for the betterment of society through global friendships, the exchange of cultural knowledge and educational scholarships.
